Nikol joined Kambourov & Partners in 2020. Prior to this she worked at the transfer pricing department of KPMG in the offices in Luxembourg and Bulgaria. She also interned for the European Parliament and Transparency International. Nikol has a bachelor's degree in European Law (LLB 2017) and a master's degree in International and European Tax Law from Maastricht University (LLM 2017). She also specialized within an Erasmus programme at the Faculty of Law of the University of Aberdeen, Scotland, UK (2016).

As a transfer pricing expert she has experience in assisting multinational enterprises with a wide range of services from strategic planning to risk assessments to design and implementation of transfer pricing business models.
